CHILDHOOD EDUCATION IN THE CHURCH

ed. Roy B. Zuck and Robert E. Clark
Moody Press, Chicago, 1975
500 pp., \$7.95.

EXPLORING THE BIBLE WITH CHILDREN

by Dorothy Jean Furnish
Abingdon Press, Nashville, 1975
174 pp., paper, \$3.95.

EXPERIENTIAL EDUCATION: X-ED

by John and Lela Hendrix
Abingdon Press, Nashville, 1975
176 pp., \$6.50.

IRIS V. CULLY

An extensive book on the religious education of children has not appeared for some time. This is hardly surprising because "liberal" Protestant religious education has all but abandoned ordinary concerns and structures, and Roman Catholic studies have concentrated on limited segments of the field.

CHILDHOOD EDUCATION IN THE CHURCH at various points indicates that it is addressed to evangelicals, but the breadth of the articles and the variety of topics will make it a resource across theological lines. (After all, every book is written from a specific viewpoint.) Opening chapters set children within their social context. Part 2 has separate articles on the understanding of children in age groups from infancy through grade six. These draw on psychological insights stemming from Piaget's work, and stress the need for concreteness in teaching young children. This is further elaborated in chapters on theology for children. A practical section on methods opens up many options. There are chapters on administration (including camps and child care programs) and excellent material on working with exceptional children: the gifted, mentally retarded, and those with physical or emotional handicaps. Concluding articles explore the role of family, and of the Christian day school.

Inevitably there is unevenness. Edward L. Hayes has written a profound and sensitive article on "Evangelism of Children" in the light of biblical, theological, historical, and emotional insights: an important and often neglected aspect of commitment. An article on learning, however, describes Gestalt with no reference to contemporary forms, and behaviorism with no reference to B.F. Skinner. Book lists at the conclusion of

Baker, John Austin: **THE FOOLISHNESS OF GOD**, John Knox, John P.R. Morgan, June.
Banks, Robert: **RECONCILIATION AND HOPE**, Eerdmans, Gordon D. Fee, May.
Barbour, Ian G.: **MYTHS, MODELS AND PARADIGMS**, Harper, Fred Berthold, Jr., Sep.
Barnard, Jessie: **THE FUTURE OF MOTHERHOOD**, Dial, Leesa Heydenreich Campbell, June.
Bellah, Robert N.: **THE BROKEN COVENANT**, Seabury, David B. McIlhenny, July-Aug.
Benne, Robert and Hefner, Philip: **DEFINING AMERICA**, Fortress, Paul H. Sherry, Nov.-Dec.
Bercovitch, Sacvan: **THE AMERICAN PURITAN IMAGINATION**, Cambridge University, Thomas L. Budesheim, May.
Berger, Peter: **PYRAMIDS OF SACRIFICE**, Basic, John C. Bennett, June.
Berman, Harold J.: **THE INTERACTION OF LAW AND RELIGION**, Abingdon, Richard C. Meade, June.
Bermant, Chaim: **THE WALLED GARDEN**, Macmillan, Samuel M. Silver, July-Aug.
Beyer, Stephan: **THE CULT OF TARA: Magic and Ritual in Tibet**, University of California, Jane I. Smith, Mar.
Bezou, Henry C.: **METAIKIE, A TONGUE OF LAND TO PASTURE**, Pelican, Iveson B. Noland, Oct.
Bishop, Claire Huchet: **HOW CATHOLICS LOOK AT JEWS**, Paulist, Dorothy Hans Holley, Feb.

each chapter document the field from 1909 to the present. While there is strong emphasis on evangelical books in areas touching on curriculum, standard psychological and educational works are also listed with a wide selection of general works in religious education. This is a much-needed reference and those concerned with children's religious education can dip into specific chapters confident of finding solid material.

EXPLORING THE BIBLE WITH CHILDREN is a practical book based on clear intellectual understandings of biblical development and interpretation. The writer combines theological knowledge with work in the area of children's curriculum, and both interests are reflected. The opening section affirms that the goal of biblical study is to find meaning; both the intent of the writer and meaning for the learner today. A section on understanding children follows. There is a discussion of the interaction between teaching biblically and experientially, and the writer concludes that when the Bible is taught purposefully, these two ways become intertwined. Several models for teaching are described: discovery through group-team teaching, learning centers, and intergenerational groups.

The book is a rich resource because it gives a perspective on understanding the Bible: how it developed and ways of interpretation. It wrestles concretely with the continuing problem of how to make biblical teaching life-centered without merely using it illustratively, or giving up in favor of what would amount to historical study. Practitioners will find in the concluding section a mine of ideas for using contemporary teaching approaches to convey biblical teaching effectively.

EXPERIENTIAL EDUCATION: X-ED is a learning technique based on contemporary interaction theory applied to adult religious education. This book explains the method and gives examples of its use, as well as describing the techniques involved. A central thesis is that "we are responsible for our own learning, and we generate learning in each other." Motivation, participation, learning style, and the usefulness of learning are key ideas. These are not new, and they have been central in childhood education for years, but they have had little impact on the teaching process in adult religious education. Some of the interaction techniques could be discomfiting to the uninitiated. But it is an engaging book. The writers have tried this out and are enthusiastic in sharing the plan. It could be a way of shaking up the usually staid confines of the adult study group.

Bixler, R. Russell: **THE SPIRIT IS A MOVING**, Creation House, William C. Frey, June.
